BOOK SYNOPSIS

"I cant just storm in and proclaim my intentions. I cant 'steal you away. I just have to wait and hope that, someday, youll ask," Tamani said. "And if I dont?" Laurel said, her voice barely above a whisper. "Then I guess Ill be waiting forever." Although Laurel has come to accept her true identity as a faerie, she refuses to turn her back on her human life—and especially her boyfriend, David—to return to the faerie world. But when she is summoned to Avalon, Laurels feelings for the charismatic faerie sentry Tamani are undeniable. She is forced to make a choice—a choice that could break her heart.
