BOOK SYNOPSIS

Spoken about only in whispers, the Nowhere Man can only be reached by the truly desperate, he can —He will do anything to save them. Evan Smoak is the Nowhere Man. Taken from a group home at twelve, Evan was raised and trained as part of the Orphan Program, an off-the-books operation designed to create deniable intelligence assets—i.e. assassins. Evan was Orphan X. He broke with the Program, using everything he learned to disappear and reinvent himself as the Nowhere Man. But his new life is interrupted when a surprise attack comes from an unlikely angle and Evan is caught unaware. Captured, drugged, and spirited off to a remote location, he finds himself heavily guarded and cut off from everything he knows. His captors think they have him trapped and helpless in a virtual cage but they don't know who they're dealing with—or that they've trapped themselves inside that cage with one of the deadliest and most resourceful men on earth. Continuing his electrifying series featuring Evan Smoak, Gregg Hurwitz delivers a blistering, compelling new novel in the series launched with the instant international bestseller, Orphan X.
